Dated 22nd September 1951.

No. C. & D. 170—Imports 1-51-9. The following Public Notice No. 138-I.T.C. (P.N.)—51, dated the 31st August 1951, issued by the Ministry of Commerce and Industry, Government of India, is republished for the information of the public.

GOVERNMENT OF INDIA.

MINISTRY OF COMMERCE AND INDUSTRY.

(IMPORT TRADE CONTROL).

New Delhi, the 31st August 1951.

PUBLIC NOTICE.

Subject :—New Comers applications for Cycles and Cycle parts (Serial No. 300 and 301, Part IV of the Import Trade Control Schedule) for imports from soft currency area for July-December 1951.

No. 138-I.T.C. (P.N.)—51. In this Ministry's Public Notice No. 105-I.T.C. (P.N.)—51, dated the 15th June 1951, and the Red Book for the period July-December 1951, it was stated that the import licensing policy for Cycles and Cycle parts would be notified separately. It has now been decided to license Cycles and Cycle parts to both established importers and new comers. The policy for established importers is being announced in a separate Public Notice. The Public Notice is confined to New Comers.

2. It should be noted that licences for cycles will not be valid for the importation of tyres and tubes and those for cycle parts will not be valid for the import of the following items :—

1 Cycle bell.
2 Cycle stand.
3 Carrier.
4 Cycle lamp other than Dynamo lamp.
5 Handle grip.
6 Brake rubber.

3. Applications for licences in the new comers category will only be entertained from those who have actually been engaged in the internal trade in the line concerned (cycles and cycle parts in this case) for a minimum period of two years ending the 31st December 1950 to 30th June 1951 and who do not qualify to receive licences as established importers or actual users.

4. In order to ensure that the value of new comer licences is not uneconomically low, it has been decided that the minimum value of new comer licences for cycles will be Rs. 10,000 and for cycle parts Rs. 5,000 while the maximum will be Rs. 25,000. As the amount of foreign exchange available for the issue of such licences is limited, it will be necessary to make a selection of the best candidates out of the applications received and it is inevitable that quite a few applicants who might appear to be eligible on the conditions laid down for applying may nevertheless fail to receive an import licence.

5. Applications from new comers should be submitted in the form Appendix A and should be accompanied by an auditor's certificate in Form Appendix B appended to this notice together with a treasury receipt for Rs. 10 in the case of applications for a value not exceeding Rs. 10,000 and for Rs. 25 in all other cases. Applicants may also produce such evidence as will show their connection with the cycle trade internally and their ability to enter the import trade.

6. No application will be considered unless the income-tax registration number or exemption number allotted to the applicant before the date of making application is furnished in the relevant column of the application form. For this purpose, the number allotted after the 1st January 1950 and up to the date of making the application will be accepted as valid.

7. Applications for licences should be made to the Import Trade Controllers at Calcutta, Bombay and Madras, according to whether the place of business of the applicant is situated in Area A, Area B or Area C as shown in the attached schedule (Appendix C).

8. A branch of a firm cannot apply as a new comer when the head office is applying for a licence whether as an established importer, actual user or as a new comer.

9. The last date for receiving applications for licences from new comers will be 31st October 1951. No application from New Comers will be entertained if received after that date.
